www.iac.es

A night sky filled with stars and a few wispy clouds. In the foreground, two people are standing on a dark, silhouetted hill. One person is on the left, looking towards the right. The other person is on the right, looking towards the left. Between them is a telescope mounted on a tripod. The overall scene is dark and atmospheric.

Torstai

A dark night sky filled with stars, with two people and a telescope on a tripod in the foreground. The scene is dimly lit, with the stars providing the primary light source. The people are silhouetted against the starry background. The telescope is mounted on a tripod and is positioned between the two people. The overall mood is serene and contemplative.

Perjantai

A dark night sky filled with stars and faint, wispy clouds. In the foreground, two people are silhouetted against the dark landscape. One person is standing on the left, looking towards the right. The other person is standing on the right, looking towards the left. Between them is a telescope mounted on a tripod. The overall scene is a night sky observation session.
