

A map of Finland and the surrounding Baltic Sea area. The land is colored light yellow, and the water is blue. A red line outlines the current coast of Finland. A dashed black line runs from the northwest towards the south, separating the northern part of the map from the southern part. Text labels in Finnish are placed in different regions: 'nousee täydellisen vaiheen aikana' in the north, 'täydellinen vaihe alkaa Kuun noustessa' along the dashed line, and 'nousee alun osittaisen vaiheen aikana' in the south.

nousee
täydellisen
vaiheen
aikana

täydellinen vaihe alkaa Kuun noustessa

nousee alun
